dell, Ormawi Street, Al-
tona.

SCHOOL HALL READY SOON

Altona North High School's \$113,686 "prestige"
assembly hall — first mooted in 1964 — should be
completed in two weeks, principal Mr. R. W. Roberts
said yesterday.

Mr. Roberts said the official
opening of the hall would not be
until March 1971, after site works
had been completed.

The high cost of the hall has
been borne by a Government grant
of \$77,770, which includes \$5770
for seating, but the remainder was
raised through functions held at
the school.

"Three years ago we had only
\$13,000 towards the project," Mr.
Roberts said.

"Now we have raised the full
amount apart from \$8000 which
will be borrowed through a co-
operative society."

The multi-purpose hall will be

used for assemblies, gymnasium
work, drama and musical activities
and end-of-year examinations. It
has a seating capacity of 800.

Mr. Roberts said it would be the
"prestige" hall of the area having
full stage lighting, curtains, heat-
ing, physical education equipment
and independent amplifiers.

He said he was particularly
thrilled with the work that went
on behind the scenes in raising
the money.

"This was done through fetes, a
walkathon, voluntary contributions
and through appeals to local
industry," he said.

Doorknock planned for bridge victims

A doorknock will be conducted throughout Altona on Sun-
day afternoon, in order to raise funds for the relief of families
bereaved by the Westgate tragedy.

Altona Council, at a special meeting at the Mayor's room on Wednesday night, October 21 at 8 p.m. to finalise arrangements for the appeal.

The general plans are that the city will be zoned into several sections.

A meeting of organisations and interested

personnel will be in charge of the larger sections and appeal to other organisations to assemble at the clock tower at the Civic Offices, or at the Altona North High School in Altona North, to receive instructions regarding areas to be canvassed.

There are 7500 houses in Altona City and if there are 250 collectors, each collector will visit 30 houses.

The Mayor, Councillor D. K. Grant, said the Westgate tragedy, which had been a shock in all corners of the world, was particularly felt in Altona, where five families have been bereaved.

The mayor appeals for volunteers to register at the Civic Offices as soon as possible and to let word be known about the Wednesday night meeting and the assembly points on Sunday.

Meantime, donations to the appeal will be accepted at the Civic Offices and routed for immediate relief.

They were about to be engaged

The Ozelis family lost more than a son
in the West Gate Bridge disaster last Thurs-
day.

Jousef 23, had planned to announce his engage-
ment last Sunday to Regina Buzinkas and had already
bought the ring.

The couple are pictured above.
A keen amateur photographer, and member of
the Altona Photographic Club, Jousef was known for
his work in the Italian community.

The eldest of three sons, Peier often spoke of
the day when he would be married and the bridge
would be finished, said his father.

"He was looking forward to taking his children
over it and showing them where he worked," he said.

Council honors football team

Altona city open age football, who were Western Suburban League premiers this year, were honored by the Altona council at the last meeting.

In presenting player Graeme Brennan with the council's certificate of merit, Mayor (Cr. Doug Grant) congratulated the team on its success and said he hoped it would strive to compete in a higher competition next year.

He asked Brennan to convey to the executive of the club his thanks for their work in promoting football in the city.

Brennan apologised for the absence of cap-

tain-coach Del York, who he said was in Tasmania on business.

Altona club president, Mr. Bill Lee, a former council shire president, also sent a letter of apology for his absence.

Cr. Grant, said he was thankful that members of the team (who were seated in the gallery with their wives and girl friends) were not as boisterous as on the night they won the premiership.

"On that occasion Mr. Lee asked me to say a few words and I was drowned out," he quipped.

Cr. Grant also mentioned that he played his only game of senior football (as a "ring-in") with the Altona club.

"Yes, but that was as 19th man," came a voice from the audience.

MMBW rate increase is necessary

"The increase in Board of Works rates was caused by the enormous capital works program the Board is facing," MMBW assistant secretary Mr. R. H. Engelsman said in a letter tables before Altona Council last week.

He was replying to a letter from the council exploring the increase in rates.

"This works programme

has been brought about by public demand for better services and a better quality of life," Mr. Engelsman said.

He said the MMBW had been forced to provide an outfall main from Carrum to Cape Schanck (at a cost of \$53 million) to discharge reconditioned water from its sewage purification plant.

"The board is also engaged in works which will double its water storages capacity at a cost of \$57 million," Mr. Engelsman said.

"The board regrets the necessity for increasing its rates and only did so after a searching investigation."

Commenting on the letter, Cr. Les Crofts said he hoped that when the Board was spending money, they did not forget Altona.

Essay win

A Mt. Eliza boy whose family had former strong ties with Altona, has won an Australia-wide essay competition.

He is Greg Borschmann, 15, son of Mr. and Mrs. W. Borschmann.

Mrs. Borschmann's family (nee Bull) operated a Mayfair delicatessen and milk bar business in Pier Street for many years from 1946.

Greg Borschmann won a prize of a trip to Canberra to meet the Minister for Customs and Excise (Mr. Chipp) for his essay on Christian Attitude Towards Censorship.

A feature of his trip was a luncheon with the Minister for Immigration (Mr. Lynch).

Greg is a student at the Peninsula Grammar School.

No need for social service ignorance

Altona Rotary Club is concerned about social services.

About 40 per cent. of all possible recipients of social service payments did not receive the benefits available, according to Mr. J. Wade, who was the speaker at last week's meeting of Altona Rotary Club.

Mr. Wade is officer in

charge of the newly opened office of the Department of Social Services at 160 Nicholson Street, Footscray.

The inability of people to understand their rights for invalid, age and widow pensions, as well as child endowment, mother allow-

ance and sickness and unemployment assistance had caused the department concern, Mr. Wade said. A policy was now being adopted of developing more suburban and country branch offices to enable people to make inquiries more speedily and easily.

Anyone who has doubts about their right to receive any type of social service should contact Mr. Wade.

Box Hill elderly citizens visit

On Wednesday, October 7, 40 elderly citizens from Box Hill arrived at 1.00 p.m. to entertain our members.

Their concert party and band provided us with a wonderful afternoon's entertainment.

After their concert was over, afternoon tea was enjoyed by all. The floor

was cleared and we had an enjoyable dance.

On Thursday, October 8, a large crowd enjoyed dinner and an afternoon of cards and games. The special effort was won by Mrs. E. Williams and second prize was won by Mr. I. Gerrard.

Thursday afternoon one of our indoor bowls teams played off the final with Windsor House.

The team comprised of Mr. I. Gerrard, Mr. J. Bleakley, Mrs. M. Sturrock and Mrs. N. Barber.

As two of our teams were in their first year of playing, they did very well to make the final.

Windsor House was the better team and won, but our players tried hard and we are proud of them.

The snooker team are in the final and we are hoping they will bring home McCormack, Mr. S. Rowe, Mr. W. Bedson and Mr. Trickey.

On Monday, October 12, two bus loads of members journeyed to the hills to visit the tulip farm of Mr. Tesseleer at Monbulk. The shrubs and flowers on the way were a blaze of color.

After an enjoyable dinner at Nathaniel Springs, we reached the tulip farm which was a dream of color.

Our monthly dance takes place on October 17 at the club rooms, Sargood Street. Entrance fee is 30 cents, supper is provided. Monte Carlo and door prizes.

NOT BAD FOR 12

Are there any fishermen still sceptical about the chances of hooking a decent sized snapper after seeing the 14-pounder on the front page last week?

Well, what about this one — a 12-pounder caught by 12-year-old Peter Neyland last Sunday?

Peter landed the snapper three miles off Altona pier on "The Grapes"—not far from where Mrs. Berice Jenkins hooked her fish last week.

It was caught on pilchard and took young Peter 15 minutes to land. Peter was quite successful amongst the snapper last year, but never came close to his whopper last Sunday.

Peter is the son of the Star, Mr. Keith the former owner of Neyland, now proprietor of Keima Press.

Rotoract news

Father Brian Walsh, guest speaker at last Friday's meeting, gave Rotoractors an appreciation of the problems which exist in the undeveloped countries of the world today.

He has recently returned from overseas missionary work in countries such as Nigeria (including Biafra), India and New Guinea. He suggested that approximately 90 per cent. of the population in the poorer countries existed purely on a day-to-day basis. His work consisted mainly in living among these people to appreciate their problems and by various means to encourage them to improve their standard of living.

It is hoped that in the not too distant future Altona Rotoract will also undertake a project to assist these people in some way.

The next meeting will be held this coming Sunday, October 25. Cars will depart from the Altona Civic Hall at regular intervals, commencing at 10.45

NO FUNDS SO NO SEWERAGE

A lack of loan funds is the reason behind sewerage facilities not being provided in the metropolitan area. MMBW assistant secretary Mr. R. H. Engelsman said in a letter tabled before Altona council last week.

He was replying to a request from the council that sewerage reticulation work in the municipality be speeded up.

"Due to the lack of loan funds the Board is not in a position to proceed with the provision of sewerage facilities in the metropolitan area as vigorously as desired," Mr. Engelsman said.

But he added that area number 1891 — bounded by Grieve Parade, Civic Parade, Pier Street, and Railway Street North — which had a final estimate of \$619,325 was currently

Report was not correct

A report in last week's Star that the MMBW had let the tender for the sewerage area bounded by Wren Street, The Esplanade, Maidstone Street and Grieve Parade, was not correct.

The correct position is that at the council meeting on September 22, Cr. Harry Weaver moved the council write to the Board of Works requesting they consider accepting the tender for the area received by the Board in March, by allocating surplus funds from an adjacent sewerage area which is now proceeding according to schedule.

The Star apologises for any embarrassment caused to Cr. Weaver, the Board of Works and any ratepayers and householders living in the area.

under construction and should be available for connection in approximately nine months' time.

The area comprises 266 houses and 28 vacant allotments, Mr. Engelsman said.

Speaking on the letter, Cr. Harry Weaver said the time had now been brought forward and some houses would be able to connect by late December.

Don't forget to vote!

Voting is compulsory in the Melbourne West State Parliamentary by-election on Saturday.

The election is to fill the seat left vacant by the disqualification of Mr. R. Walsh.

Candidates are Mr. H. A. Thomas (A.L.P.) and Mr. R. Nilsen (Defence of Government Schools).

Those who must vote are all persons enrolled for the joint Commonwealth/State electoral rolls for the subdivisions of Albion, Altona, Avondale Heights, Braybrook, Brooklyn, Deer Park, Footscray, Footscray North, Keilor East, Kingsville, Kingsville West, Maidstone, Newport, Newport East, Newport West, Niddrie, St. Albans, Sunbury, Sunshine, Werribee, Williams town and Yarraville.

CIVIL DEEENCE CO-ORDINATOR

Altona Council appointed a civil defence co-ordinator at its general purposes committee meeting last night (Tuesday).

Baby show

Entries for the St. Mary's baby show, to be held in the parish hall on Saturday, will be taken from 12.30.

Judging of the following age groups will take place at the following times:

Under 6 mths. (1 p.m.), 6-12 mths. (2 p.m.), 12-18 mths. (3 p.m.), 18 mths.-2 yrs. (3.30 p.m.), Princess (3 p.m.), Prince (3.30 p.m.).

Afternoon tea will be available.

Cr. Richards said yesterday it was important that an appointment be made as soon as possible following the West Gate tragedy.

The search and rescue squad of Altona's St. John's Ambulance division has figured prominently in rescue operations in the past.

St. John's has previously used facilities at Altona youth hall, but in the current council estimates \$3500 has been set aside for extensions to provide St. John's with a room to store equipment and a telephone.

Val's Column

HELLO GIRLS, — Spring inspires and encourages us to look prettier and more youthful. Make it right now — look into the latest in makeup. Find the beauty of translucent, fine flowing liquid bases. Try wearing this without powder — the fine translucent, transparent type powder. You have the choice of a tinted loose or pressed powder or the year round transparent one color powder. Powder is only needed to matte the finish — not make it. Summer or winter you can use the same translucent powder because it is see through. At your most tanned or your palest it is for you.

Now is the time to change to the easy to apply, natural look with Revlon Roll On Makeup. Dorothy Gray Roll On for a more matte look. The tanning look easily applied with light, Medium or dark bronzing Gel in roll-on applicator by Dorothy Gray. Over face, neck, arms and legs.

Something new in lipsticks. Don't buy the same old one again, you don't keep with fashion that way. Try a translucent, a creme, a soft or a silvery frosting, go three dimensional with a gold based lipstick.

New soft see through nail enamels, based colors, silver frost or gold. You probably have quite a collection of eye shadows and have fun in wearing these in different ways. Powder, creams, shimmering colors. But why stay with one black eyeliner? Color cakes, shiny liners and now wide eyes with color, rainbow color liners.

Christmas ideas all around our shop. For freinds or the family. Baby toys or spoon and pusher, baby cutlery sets pink or blue. Lavvy a Timex watch today. Dad ned a barometer? Modern monkey pod containers and at such reasonable prices! Toilet bags, all sizes; matching slip-ons, shower caps and make-up caps, all so dainty.

Bye.

ALTONA MAKES UP \$115,000

Altona council has completely wiped off a \$115,000 deficit which "has been hanging over our heads for a number of years," Cr. Les Crofts said at the council meeting last week.

LADIES BOWLS

Winners in Wednesday's mixed bowls at Williamstown Ladies' Bowling Club were Mrs. Radford, P. Robinson and Mrs. Whiffen. Runners-up were C. Richards, Miss Webster and Mesdames Harper and Darvas.

First inter-club game for the season was held on Saturday and prior to play a minute's silence was observed for those who lost their lives in the Westgate Bridge disaster, and in sympathy to dependants and those who were injured.

Yarraville-Seddon team took out the match, players being Mesdames Dundon, Bandy, Willshire and Longton. Runners-up were Mesdames Brid, Black, Eddy and Miss Quarrier.

Both club teams were again successful in their pennant matches last week.

A reminder to Mesdames Howard, Bock, Bardin and Bengough for afternoon tea on Saturday.

NEWPORT LADIES

Pennant last week resulted in wins for B3 and C2, but B1 went down. Spoons went to J. Schmidt (capt.), M. White, M. Walsh, L. Duncan.

An enjoyable day was had at social bowls on Wednesday and winners were P. Kisler (c), N. Hopper, J. Stuber, L. Bartlett.

Congratulations on being selected to play for the Helen Bridgeford trophy go to P. Luke, J. Schmidt, V. Clark, P. Kisler.

Last year, when no provision was made in the estimates for the reduction of the deficit, the deficit stood at \$32,000 after having been decreased by \$20,000 the previous year.

In announcing the council's general rate on all property in the city would remain 12.5 cents in the dollar, Cr. Crofts said credit was due to council's administrative staff.

"The fact that council has been able to maintain progress in the municipality without increasing the rate and despite increasing costs, certainly bears credit for our administrative staff," he said.

Cr. Crofts said the finance committee had decided to fix the pan rate at \$27.50 — an increase of \$7.50 on last year.

This would raise \$99,000 compared to \$98,064 which would be council's expenditure for sanitary service over the next 12 months.

Among the major works to be undertaken by council over the next 12 months are:

Reconstruction of The Broadway at a cost of \$50,000, extension of Altona Road to the Workington Club (\$2000), Paw Paw Road construction work (\$22,000), and tip filling (\$42,000).

"Money to be spent on the municipality's reserves had been increased by \$3000 to \$50,000," Cr. Crofts said, "While \$10,000 will be spent on a retaining wall for Cherry of residents was disturbed

Pollution as bad as ever

(TO THE EDITOR)

Sir. — As West Altona residents will have observed, the pollution from the petrochemical complex in the form of smoke, glare and noise over recent weeks have shown that any promises of abatement of inconvenience to

residents show no sign of reaching fruition.

On October 6 at approximately 9.30 p.m. residents of West Altona were treated to a fiery display from two flare stacks.

The intensity of the flares endangered any person driving in the area as the rapid fluctuation of the glare made visual safety impossible.

In the early hours of the following morning for a duration of several hours up until 7 a.m., the sleep of residents was disturbed by a continuous roar and rumble-vibration from the flare tower.

There appears to be no sign of residents being free of the nuisances, particularly in view of the fact that expansion is evident in the complex.

A buffer area should be developed around the complex with a caution to anyone shifting in or building that they would be subject to industrial nuisances.

Yours etc,
Stanley B. Currow,

The Curtain Rises

By THISBE

Never wear a green dress or real jewellery on stage and never leave your soap in the dressing-room.

These are just a few of the superstitions that have been handed down by thespians for generations.

Macbeth is very unlucky as any actor worth his salt will testify. The witches' spell from that play is most evil.

Peacock feathers and all are best left out of the theatre and some people are regarded as very unlucky.

Every actor has his own personal superstition. My own has always been about spells and incantations. My Welsh grandmother would certainly have warned me against it because she was fey.

I am scared because of a strange incident

which happened to me when I was playing Madame Arcati in Blithe Spirit.

We were rehearsing at the Mechanic Institute on a very hot Sunday night. I was well away with the incantations when there was a gigantic thunderclap and terrifying flashes of lightning.

I really believed I had started something. I was sure of it when as we were leaving the theatre, I nearly stood on an enormous green frog. It really scared me — one never knows what power one has until it is really tested.

You can be sure of your own power if you become a subscriber to the Little Theatre. All you need to do is contact the ticket secretary at Box 35, P.O. Williamstown, and pay \$10 for a double season ticket for the evening of your choice.

Combined Pensioners' Association

The annual general meeting of the Combined Pensioners' Association was held in the Newport Library Hall on October 9. Mrs. Swallow acted as re-

Mr. and Mrs. Swallow from Parkdale-Mordialloc branch were visitors and Mrs. Swallow acted as returning officer.

All officers were returned unopposed.

The secretary reported that the branch received

first hand information about what the municipal councils were legally entitled to do about pensioners' rates.

The branch approached the Minister for Railways regarding pensioners' off-peak tickets as pensioners are not permitted to travel at pensioners' concession rates on a train which arrives in Melbourne at 8.55 a.m., while other passengers may purchase an off-peak ticket and travel on this train.

Members were surprised to hear from the

Minister that he did not know about this.

A number of branch members took part in the march against poverty and injustice. Two members went as delegates to Canberra at budget time.

Pensioners had a successful protest march from Norman's Corner in

the City to the Civic Square in Swanston Street against the 50 cents rise granted to pensioners.

The Treasurer reported a good year.

The next meeting will be held at the Newport Library Hall, on October 23. It will be a social afternoon.

ORGAN RECITAL TO TAKE PLACE IN NEWPORT

International 11 y known organist, Mr. Michael Hendry (pictured) will give an organ concert at the Christ Church Anglican Hall in Mason Street, Newport, on October 23.

The programme will feature music from operas and musicals as well as evergreen jazz — everything from pop to Bach.

Perhaps the most interesting part of the evening will be when Mr. Hendry produces an amazing array of sounds one would hardly believe possible from an organ.

One moment you hear his spinnet model organ sound like a pipe organ and the next it becomes a piano accordion, mouth organ, Hawaiian guitar, bagpipes, train whistles, car horns and even a fine piano sound.

Mr. Hendry will autograph copies of his first three Australian records on the night of the concert.

The records include his new 12" long player, **Sounds Fantastic**, an EP 45 7", entitled **Oldies A-Go-Go** and a 7" 45, **Mr. Hendry** will be playing tracks from his new 12" LP **Sounds Fantastic**.

He is an example of the statement he constantly makes to his pupils: "Don't play music, make music."

On October 24 Mrs. Hendry will give a free first lesson and a musical aptitude test on the organ for parents, children and adults interested in finding out how musical they are.

"Many people do not realise that they could be playing music to give themselves and their friends hours of enjoyment and relaxation while some could even go on to make a profession of it."

Dr. Cairns hit over St. Paul's

Dr. Cairns' statement regarding the Government grant for the library at St. Paul's College, North Altona, is the result of incorrect information, says Mrs. Adelia Bernard of Victoria Street, Williamstown.

Mrs. Bernard writes in a letter to the editor:

"It caused grave indignation in hundreds of families in the Western Suburbs.

"St. Paul's is not a wealthy school. It has been built by the people of five parishes over 10 years to satisfy the need for proper secondary education in this area.

"The people who contributed individually to the building of St. Paul's are 95 p.c. working class. The boys who go to St. Paul's are the sons of these people. Does Dr. Cairns think that it is a

"luxury" to give boys of this area the chance to use a well-equipped library? I should like to have seen identified in print 'those poorer than St. Paul's College schools,' Dr. Cairns refers to.

"If the Government has finally seen the need to reward the efforts of these people, it is no more than they deserve. If on the other hand Dr. Cairns objects, I can only say he is very foolhardy in making these objections publicly.

"He, much better than I, will be able to assess the damage done to himself come next elections."

House sports

It was a great pleasure to all members of the school to use their own oval for the first time for inter-school sports.

Nine events for the house sports were held on Friday, September 25.

These were junior and senior diamond throw, junior and senior high jump and long jump, javelin, discus and shotput.

After these events the houses came out with the following places and points:

Most mums at some time or another have complained about the cost of children's shoes, and about how quickly they wear out.

But attractive young Williamstown mother Mrs. Adelia Bernard has done something about it.

Mrs. Bernard, mother of three and wife of Williamstown real estate agent Norman Bernard, took the daring and imaginative step of going overseas solely for the purpose of finding something better in the way of children's footwear.

Today she has a flourishing agency as an importer of shoes from Italy. On Sunday she flew to Spain to strengthen her ties with overseas manufacturers.

The Bernards have three children — Nives, 16, Norman 14, and Nicolette 7.

"All I could buy here for the children were plas-

She had a complaint so she started a business

tic shoes with flat soles," said Mrs. Bernard. "I was paying a fortune and there was not much to choose from in way of styles."

Big operation

So off she went to Italy and in a remarkable one-woman operation made contacts overseas, handled distribution and deliveries back in Australia and cared for a happy and contented family at the same time.

She has commissioned firms in Italy to go into production for up to two months of the year pro-

ducing the lines for her Australian distributorship, with alterations to the original designs to suit Australian tastes.

It started with baby's shoes and first walkers and has now extended into teenage lines, with distribution through over 200 retailers in five States.

In only a year Mrs. Bernard has imported 15,000 pairs. "They are self selling," she says. "People buy them others see them, and then they want them for their children."

We asked Mrs. Bernard for a comparison between the imported and the Australian product.

"For quality of leather style and craftsmanship you could make a comparison between clothes off the rack, or something made by Dior."

"Some of the plastic shoes you buy here are worn out by the children in a few weeks. The leather shoes I am bringing in really wear, and can be handed down from brother to brother, and sister to sister."

Mrs. Bernard points out that it is important for children in their developmental years to wear correct footwear, and the shoes she is distributing apart from being attractive in style have arched supports and shaped soles.

In Spain she will visit 15 factories arranging further imports, but it is not all one-way traffic, as Mrs. Bernard has now been granted a sole agency in Europe for distribution of rugs and other Australian "fur" products.

These include lambs-wool car seats and covers made by the Footscray manufacturer, Michaelis Bayley.

Does Mrs. Bernard know of any other lines on which profitable import action could be taken?

Berserk

"There are dozens of things, she says. 'This is why Australian tourists go berserk in their buying overseas. There is no variety in anything here, and manufacturers skimp on production to cater for a price conscious market.'"

We left musing on the fact that the Australian consumer would not have to be content with a lesser product if there were more mums around like Mrs. Adelia Bernard prepared to get up and go and do something about it.

Mrs. Adelia Bernard of Williamstown found it impossible to buy good children's shoes in Melbourne, so she started importing them from overseas. Now she's a minor shoe tycoon, servicing over 200 retailers in five States.

Gr. Sommers was absent

Altona councillor Bill Sommers was absent from the council meeting last week — but he had a good excuse...

He was in Williamstown Hospital recovering from a recent operation.

Cr. Sommers sought three weeks leave of absence from all council activities so he could have the operation, and this was duly granted last week.

Cr. C. Carlsson reported that the operation — which was to correct a vein complaint in the legs — was a success, and that "there's not much wrong with him."

Twin Tails

clear winner

Twin Tails, sailed by Ralph Ballard, was a clear winner in the Kitty division when Williamstown Sailing Club staged first heats of the club championships on Saturday.

In gusty conditions it was a fast race, with only three kitties finishing and three boats retiring from other classes.

Mirrors provided the strongest fleet and the closest finish when Doug Keating held off a strong challenge from Mal Taylor to win by six seconds.

Rebel, sailed by Pat McSherry, was the winning moth. Pat handled the conditions well and sailed to a sound victory.

Jim Ramsay, crew of Joy 11, is continuing his bad run. Recently he fell off the skipway and collected a black eye. This week he fell overboard during the race and badly gashed a hand.

Details: Kitties — Twin Tails, R. Ballard 1, (28.23) Bagheera, J. Lanyon 2 (29.55), Nigretta III v. Bedeau 3 (52.13).
Moths — Rebel, P. McSherry 1 (57.22).
Mirrors — Janet, B. D. Keating 1 (58.2), Pae, M. Taylor 2 (58.8), Abda, A. Ploog 3 (61.48).

Guides raise money for Peru

When 1st Altona Guide Company set out to raise money for the Peru appeal, three of the youngest guides, Denise Budwenh, Jennifer Weaver and Stephanie Piper set to make sweets and cakes, selling them at school.

In an excellent effort, showing real guide spirit, the lasses this week turned in proceeds of \$4.72.

The company raised a total of \$7.72 for the appeal.

Accident prevention badges have been gained by Susan Noble, Moag Campbell, Jo-Ann Cirvan, Kerry Watson & Susan Dern, Yvonne Camilleri, Jenny Weaver, Marion Hafull, Jenny Baker, Denis Budworth, Wendy Davies, Lynette Bulmer, Robyn Osborn, Kerstie Toom, Ellis Dunlop, Debbie Hart, Janice Barrow.

Yvonne Camilleri has gained athletic badge and Kerstie Toom the service emblem.

Captain J. Poxan and three patrol leaders from 2nd Altona Guide Company camped for the weekend at Wattle Glen and had a great time. They joined with guides from 1st Keilor Company.

On Tuesday, Mr. A. Shannan of the Altona Lifesaving Club gave an interesting demonstration on mouth-to-mouth resuscitation.

The company is looking for someone able to teach first-aid and anyone able to assist should contact Miss Poxan on 398 3021.

Kathleen Bulmer has gained cook's badge.

36 years with kindergarten

A committee member of Robina Scott Kindergarten, Williamstown, has retired after 36 years' service.

She is Miss Pearl Weeks, who was farewelled at the kindergarten on October 7.

Mr. L. A. Parker presented Miss Weeks with a cultured pearl brooch. Mr. Parker is a trustee and has been a committee member for several years.

Miss Helen Paul, director of pre-school activities of the Free Kindergarten Union of Victoria, supported Mr. Parker's remarks about Miss Weeks' service.

— and now she says farewell

Miss Weeks said she had made many friends through kindergarten work.

She said Williamstown's first kindergarten opened in St. Andrew's Hall in

1934. This followed an approach to the council. Mr. James S. Gray was mayor at the time and council now helped five kindergartens in the district.

Miss Weeks said, "In the very early days of kindergarten work the F.K.U. told us we could not be expected to be thanked all the time. All we should want was to be appreciated. We found this was so."

"I have enjoyed doing what I could for the kindergarten."

BASKETBALL SET TO SOAR

Men's basketball may soon be played in a big way in the Western Suburbs. And it could all begin next week.

West Footscray YMCA, in playing in a competition. Essex Street, has made available courts for games on Monday and Tuesday nights.

Basketballer, Brian Kerle has tried to organise a Western Suburbs competition for some time. He was delighted with the YMCA's offer.

"There has been a lot of interest in the sport in this area. But teams have not had anywhere to play," Brian said.

"Four weeks' ago there were 35 teams interested

in playing in a competition."

"If the interest is still there will be a matter of first come, first served. We will only be able to accommodate 26 teams at the YMCA."

One night would be for under 16 competition, the other under 18.

Volunteer referees and people to help on the score bench and door will be needed.

Those interested should contact Brian Kerle, at 68 4255.

Tennis thrashing

Altona Tennis Club's B3 team produced scintillating form on Saturday, thrashing VRI by more than 20 games.

Denise Crofts, Alan Smith and Bev Colvin were the only regular players playing so the win was all the more creditable.

B4, with the three boys playing well, beat a far more experienced side by four games.

All players are asked to pay their 70 cents registration to the secretary as soon as possible.

Altona in winning position

Altona A Grade look set for a good win over Youlden Kensington next weekend after the first innings play last weekend.

With only two changes in their team, Colin Shaw, a new fast bowler, and Michael Oram, Altona sent Kensington into bat.

Shaw and Tony Gray soon had them in trouble, taking 4/29. The fifth, sixth and seventh wickets were picked up by Jim Page, leaving Kensington at 7-106.

Page continued his run, eventually taking five wickets, Kensington only scoring an additional 35 runs.

Colin Shaw made a fine debut taking 3 in 14 overs, relieving the pressure from Tony Gray.

Ray Luckett and Bruce Forrester were immediately in trouble when they opened the batting for Altona.

Forrester was caught off the seventh ball for a duck. Paone joined Luckett and pushed the score to 1-26 until Luckett was caught for 19.

He was followed by captain coach of Altona, Ken Hansen, who, with Paone added 34 runs.

At stumps the score was 2-60, with several good batsmen in reserve.

Altona have seven wickets in hand and are 13 runs ahead of Royal Park after the second round of VJCA cricket last weekend.

Royal Park were dismissed for 101 runs, leaving Altona to run away to 114 in their first innings.

Best batsman for Royal Park was R. Were who took 41.

Best bowlers for Altona were S. Naughton and N. Michael, who took five and three wickets respectively.

Best bats for Altona were D. Hitchcock not out 68, G. Wilson caught off Mackley for 31 and J. Dellard, stumped off Pritchard for 16.

Good bowling by Altona C grade had Middle Park in trouble early in their home match on the weekend.

Rodney Gray was moving the ball well and managed to pick up four wickets off eight overs.

To this was added Neville Healeys' well deserved one, brought Park's score to 5 for 48.

An impressive debut was made by young Geoff Stephenson, who relieved Gray and within two overs cleaned up the tailend batsmen, for an additional 28 runs.

Middle Park's batting score was all out for 76.

Had it not been for Stephenson and Gray Parks score could have been considerably higher.

Opening batsmen for Altona Wayne Patton, was dismissed for a duck.

The following partnership of Bill Bibby and Ray Evans got on top of the bowling early, and with good between the wickets running they scored 87 runs before the loss of the second wicket.

Evans was unlucky to have a doubtful decision go against him after scoring 48 runs Bibby ran up 51 runs before he was caught out, but not before he brought Altona's score up to 3-105.

Henry Osowski and Ron Cook both made double figures and at stumps Altona was 5-135.

Altona's club XI played away to Newport Footballers last weekend.

Opening batsmen Bruce and Stephenson carried the score to 60 not out in the early stages of the game.

The rest of the team were dismissed for an additional 58 runs.

Good bowling and fielding put Newport on the defensive.

Patterson made up his mind at the close of the last season to find an answer to the brilliant Ray Welsh.

This new car was designed to beat Ray Welsh in a scratch race and if determination means anything, Patterson will make it.

He was leading in the second hot rod race and appeared to have troubles which finally landed him behind the eight ball and he spun out to take no further part in the race.

Ken Howard was also forced to withdraw from the second hot rod race with over-heating problems. Howard was also having trouble with the slick surface and spun out several times during the race. This 7.30 p.m., following the Grand seemed to be prevalent, but it

early, when the Altona youngbloods took 4 for 48.

Unfortunately a forty run partnership from Hutchison and Page, put Newport back into the attack.

Newport at stumps were 7-133.

Altona under fourteens met their match playing Altona West in last weekends play.

Altona West's T. Pinney opened play by taking 4 for 5 including a hat trick.

Altona West ran out an easy winner.

Final scores Altona West 6-88 defeated Altona all out for 39.

In the other match last year's premiers Altona High proved too experienced for Seaholme, who are expected to be the big improvers this season.

Final Scores:

Altona West: 6-108 (White 27, Walsh 19 n.o., D. Mildenhall 5-26) D. Altona, 39 (Bebend 27, Sotney 5-16, Pinney 4-5).

Altona High: 6-90 (Sarros 24, Parking 15, Hobbs 10, Patenas 18) defeated Seaholme 32 (Sarros 4-6, Stringer 3-8).

Next week Altona West will play High School at West and Combined Churches will play Seaholme at Rush Reserve.

gave Altona drivers a run of outs.

Danny Luckett and reliable Eddie Byrne also suffered an attack of the gremlins and did not make a place in any race. This is unusual for the big Altona contingent in the hot rods and the rest of the division should heed a word of warning — don't think that it will be the same next week. It will not.

Next week's main event is the Saloon Car Derby supported by hot rods, super modifieds, min. modifieds, ladies' saloon cars, solo motor cycles and sidecars, all on the one 30-minute event. First event is set to roll at 7.30 p.m., following the Grand

One bowls defeat

The Altona Ladies Bowling Club suffered only one defeat in last week's round of pennant matches.

'TOWN IN TROUBLE AGAINST PORT

Williamstown, with three wickets remaining and 24 runs to make are struggling for a first innings win over Port Melbourne after appearing to be headed for victory early in the match.

Captain-coach John Peters, at present on 13 not out, could hold the key to his side's chances of making the runs.

Peters was also responsible for Port's early collapse after they had won the toss and batted.

He had figures of 4/23 off seven overs in Port's total of 5/48 in the first hour's play.

Keeper Doug Gibson at this stage had taken three catches to take his tally of victims with the club to 100.

Port received somewhat with a 40-run stand between Green and Barnett but then Town's Ray Salter broke through to dismiss them for 115.

Salter finished with figures of 4/32 off nine overs, while Peters returned figures of 5/40 off 12 overs.

Town lost opener Barry McConnell for four and Fergus Stewart for a duck to get off to a disastrous start at 2/6.

But Robin Dyson with 36 in 31 minutes (including five fours) redeemed the situation. With his dismissal the Seagulls lost the initiative and Port came back strong through skipper Greg Brown to have Town 7/91 at stumps.

Apart from Dyson the only player to show any worthwhile form was Alan Harris who made 25 in 107 minutes.

Norm Shaw's big burst

Port were three for 25 at one stage but recovered to take the score to 77 before the fall of the next wicket.

Shaw, who had 0/25 at this stage, then sent them reeling to nine for 86.

Agar and-Hudson had a last wicket stand of 54 before the innings closed at 140.

Williamstown lost Robert Park at 14, but Ian McLeod and John Roberts

remained together at stumps to put the Seagulls in a sound position — one for 54.

The Second Eleven premiership flag will be unfurled at the home ground at the tea interval on Saturday.

A century and seven wickets!

Warren Tomkins slapped together a smart 105 runs and then took 7/12 in a brilliant days cricket with St. Stephens in Western Suburbs Protestant Churches Cricket Association on Saturday.

The unfortunate victims of his assault with bat and ball were Kingsville Baptists' who appear headed for certain outright defeat.

There were several other outstanding performers on the opening day of the second round. In A grade Noel Manton contributed a match-winning 93 for Seddon Congs, and Ron Brown (77) and Ken Kennedy (58) put on a 131 fifth wicket partnership for Barkly Street Meths.

Yarraville Baptist youngsters Trevor Kite (48 n.o.) and 15-year-old David Leach (17) held up the strong Tottenham Baptist attack for an hour.

Newport in fight back

Newport Cricket Club first eleven started their match against Parkville from behind scratch on Saturday but rallied for an excellent fight-back.

Newport not only lost the toss but were without skipper Kev McCusker and all-rounder Jack Jarrod through injury.

The developments appeared to upset the locals as they struggled to capture wickets.

Acting captain Ray Bamford rallied his men and in a splendid recovery the bowlers got on top to sent the opposition crashing from none for 45 to be all out for 134.

Successful bowlers were Graham Clark 3/40, John Stewart 2/16 and Johnny Thompson 3/54, with two batsmen run out

due to some smart fielding.

Newport received a setback when opener "Bubbles" Bamford was dismissed for a duck. Warrent Dimond went for 11 and the side was in trouble.

But then John Stewart (30) joined Roly Nicholson (25 n.o.) and this pair gave a delightful exhibition of stroke making as they raced the score to three for 73 at stumps.

SECONDS

The Second eleven spent a tiring day in the field as Parkville built up a solid score of eight for 200 (compulsory closure).

Newport's usually reliable fielding was missing and several chances were put down.

Wicket takers were Ken Parker 2/30, Neil Donlan 2/29, Dick Roberts 1/49, Phillip Humphries 2/27 and Rick Carrington 1/44. It was definitely not Newport's day as Tony Richards suffered a nasty leg injury and had to be assisted from the field.

CLUB ELEVEN

In the Club Eleven match against Altona Colts wickets tumbled like ninepins as batsmen after batsman took guard only to beat a hasty retreat to the pavilion.

Altona Colts were all out for 40 thanks to a great exhibition of pace bowling for Tony Barassi (8/28) well supported by Archie Lloyd (2/11).

Newport's batsmen could only manage to reach the opposition's first innings total.

Bob Colvin made 13, Doug Wignall and Archie Lloyd 11 each, while the other eight batsmen contributed five runs between them — enough said!

However, the demon pace bowler Barassi ripped through Colts again in their second knock to have them tottering on the brink of outright defeat at 7/23 when stumps were mercifully drawn.

Barassi has 4/17 (with five catches dropped!) and Arch Lloyd 2/7.

All are reminded of the picture night this Friday and Sunday's outing to Flinders.
